Jade YSA Spelling
Full List Revision

Every word from the school list, with a picture - 14 September to 11 November

Revision date: 12 November 2026
Words in this book: 121 cards, in the order Jade learned them
How to use it: Look at the picture, say the word out loud, then spell it letter by letter. Cover the word with your hand and try again. Words that come in pairs (leaf / leaves, foot / feet) are on one card together - learn both spellings.
Dates: Every card shows the date Jade was given the word at school, and the next page lists every word by date for easy reference.

Notes for parents

1. On 10/11 the school list says **status**. It is printed here exactly as written, with a statue picture, because it may be **statue** - please check.
2. One entry in the list is dated 26/20; it is shown here as 26/10, in order between 23/10 and 27/10.
3. **round** was given twice (15/10 and 5/11), so it appears twice in this book, once under each date.
4. Words marked with * in the school list are printed here without the star.
